The unframed print, which will be displayed at our auction, is approximately 15 by 20.

FROM COUNTY COUNCILOR JULIE THOMAS:

As you all know by now, the Monroe County Plan Commission (PC) is in the process of completing the Comprehensive Land Use Plan. This is a policy which, once approved, will guide the creation of the next generation of zoning ordinances. The proposed plan will limit future development to those areas that are already developed - it will keep rural areas rural and make urban areas urban. Whether or not you live in the city, whether you rent, own a small lot of property, or own a large parcel of land, this plan impacts YOU.

At last Thursday's work session, the Plan Commission heard from 20 pro-development forces - folks who are opposed to the plan. At the previous hearing, the opponents outnumbered proponents of the plan by 10 to 1.

The opposition has been emboldened by the fact that they are the majority of the people who are attending these meetings - and they are getting their ways. The process to hear concerns about the policy has extended the hearings through January (at least) - although the vast majority of participants offered no concrete proposals to change the document. Significantly, a number of Plan Commissioners are now backpedaling on the proposed policy. How do we stop this? Show up! Speak out!

Here's what you can do to get involved!

1. Read the document at <http://www.co.monroe.in.us/planning/compplan.html>
2. Ask questions! Attend a meeting or ask a PC member (Julie Thomas councilorthomas@gmail.com)
3. Make comments! At the website (listed above), you have the opportunity to submit general or specific comments about the draft document through e-mail or on the comment form (linked on the same page). The more specific your comment, the better! Better yet, attend a meeting to make your comments. Again, general comments are fine, but if you have a concern, the comment should be specific.

The next Plan Commission meeting is **Tuesday NOVEMBER 17, 6 PM** in the Nat U Hill meeting room of the County Courthouse. I hope to see you all there – thanks!
